1) Content of Internet Websites – Disclaimer

The Author assumes no liability responsibility for the information provided being up-to-date, accurate or complete or for the quality of the information provided. Claims against the Author based on liability for material or immaterial damage or loss caused by use or non-use of the information or the use of incorrect or incomplete information are excluded, unless it is proven that the Author acted with intent or gross negligence. All offers are subject to change and are non-binding. The Author expressly reserves the right to change, add to or delete parts of the website or the entire website without further/prior notice and to cease publication temporarily or permanently.

2) References and Links to External Websites

The Author is not responsible for any contents linked or referred to from the Internet website pages („**hyperlinks**”, „**links**”), unless the Author has full knowledge of illegal contents and it would be technically possible and reasonable for the Author to prevent visitors to the site from using those links.

The Author hereby expressly declares that, at the time the links were created, no illegal content was identified on the linked pages. The Author has no influence whatsoever on the current and future

design, content or authorship of the linked pages. The Author therefore expressly rejects any liability or responsibility for all the content of all the linked pages that has been changed since the link was created.

This applies to all links and references created within the Author's Internet website and to external entries in guest books, discussion forums, link directories and mailing lists created by the Author and in all other forms of database with content that is available for external write access. The provider of the linked page is solely liable for illegal, incorrect or incomplete content and in particular for damage or loss resulting from the use or non-use of such information; the provider that only creates the links to the applicable publication is not liable.

3) Copyright and Trademarks

The Author endeavours to observe the copyrights of the images, graphics, sound files, video sequences and texts that are used in all its publications, to use images, graphics, sound files, video sequences and texts that the Author has created itself, or to use license-free graphics, sound files, video sequences and texts.

All brand names and trademarks mentioned on the Internet website and that may be protected by third parties are subject to the provisions of applicable trademark law and to the ownership rights of the respective registered owners without restriction. The mere fact that a trademark is mentioned does not mean that it is not protected by the rights of third parties!

The copyright in published objects created by the Author itself remains solely with the Author of the pages. Any reproduction or use of objects such as graphics, sound files, video sequences or texts in other electronic or printed publications is not permitted without the express consent of the Author.

4) Legal Effect of This Disclaimer, Severability

This disclaimer must be treated as part of the Internet website from which you were referred to this page. If parts or specific wording in this text do not comply with law or no longer comply or do not fully comply, the content and validity of the other parts shall remain unaffected.

END of Imprint.
